

Patient Eligibility

MEDICARE

1. Patients contracted with traditional red, white, and blue Medicare do not need to prepay for testing
2. No insurance filing fee is charged by RealTime Laboratories, Inc.

Referring Physician Eligibility

1. All Physicians need to be enrolled as an Ordering and Referring Provider through PECOS
2. If a physician has submitted an opt-out affidavit to Medicare for their own treatment services, if they are PECOS enrolled, they can still refer lab work to RealTime Laboratories, Inc. to be billed to Medicare

<https://www.cms.gov/Medicare/Provider-Enrollment-and-Certification/Manage-Your-Enrollment#pecos>

Claims Process

1. If a patient has a Medicare Advantage plan, they must also provide a Medicare Advantage card
2. Advance Beneficiary Notice of Non-Coverage Form (ABN) must be completed and returned to the lab
